CONCEPT NOTE

In the present digital era, It is extremely important that a teacher must be well expert not only his subject, but also have adequate knowledge on digital technologies to impart the subject knowledge to the students .

The recent pandemic has created lot of challenges not only on academic community, but on each and every sector of society. In such situation, the IT companies has focus on the development of tools which are both engaging, inclusive and catering the needs of the 21st Century Generation.

This online one week FDP is carefully designed to enhance the fundamental knowledge on online teaching-learning methods for both teachers and students. The participants will be acquainted with online teaching learning method and it's various tools.

COURSE OUTLINE

The contents of this course are designed to support the course objectives. The following focus areas are included in this course:

1. Analysis.
2. Open-Minded.
3. Problem Solving.
4. Organisation.
5. Communication.

ELIGIBILITY

All faculty members (Regular/Adhoc/Temporary), Research Scholars and Students are welcome to attend the programme.

Participants of this FDP are required to register and pay a non refundable fee through online.

Therefore, we cordially invite your active participation in the FDP. Hope your participation will make our effort a grand success.
